Happy New Year!

December is almost over, and the new year is right around the corner. I don't know about you, but 2020 cannot leave fast enough for me. But before we turn the page, I have to comment on December at our Lodge. Talk about making the best of a tough situation. The month started off with the Elks Memorial. This year our Lodge joined with our Ladies of the Elks and performed their and our ceremony back-to-back, outside and on Zoom for our members. We said goodbye to 25 brothers and sisters this year and I hope our perseverance did their memories proud.

Also, this month we had our Christmas "parties", one for the kids and one for the adults. Due to the Governors restrictions, we had to make them drive through. I must take the time to thank each and every person who helped with these events. As trying as they were to pull off, they were a great success. Thank you thank you thank you. We still managed to raise good money for the kids and a big thank you for all who sponsored the trees, helped decorate or bought tickets. Congratulations to our winners. We even managed to tent the Lodge for termites, a job that we were trying to find time to do for years.

Looking ahead to January, don't forget about our annual black-eyed peas and cornbread on New Year's Day event. It starts at 11:00 and we will have it if we have to do a drive through. Come and get some, I think we need all the luck we can get.

Next Elk year is fast approaching, and we will need a new cadre of officers to serve our Lodge. We don't yet know what the election season will look like, but details will be coming soon. Let me or one of our other officers know about your interest.

I know I say this every month, but it bears repeating. Thank you, thank you thank you to all the members, officers, employees, and volunteers who continue to make the best of an extremely difficult situation. Thank you for being Oceano Elks. Stay safe, stay positive, and I'll see you at the Lodge soon.

Fraternally,

Jay Dupler, Exalted Ruler

CHEA – The California – Hawaii Elks Association is a charitable organization serving children with disabilities since 1950.

With 168 lodges in 19 Districts (including the Islands of Guam and Philippines), the California-Hawaii Elks Association **CHEA** serves disabled children, veterans, and our youth in wide range of activities. We are a proud organization with roots back to 1868 and thousands of Elks, who have not only helped millions of people, but are a social organization that enjoys the company of other Elks at our lodges where our meals and beverages support our growth and the community. B.P.O.E. stands for **The Benevolent and Protective Order of Elks** (or as they are affectionately known, the *Best People On Earth*). Elks are American Citizens who want to save its great values; who love others and want to make sure they are healthy and happy; and who love life and want to contribute to it, as well as to share it. As a member, we find there is nothing better than **serving our community** through the various activities and charities supported by our local Elks Lodge. **The California-Hawaii Elks Association CHEA** is best known for its support of children with disabilities. Among these pages you will find many heartwarming stories and videos that relate to our Major Project, often referred to as The Purple Pig. The Purple Pig is the fundraising arm of this charitable work and serves as a reminder to the membership that our greatest joy is in **giving to and helping others**. Whether you help through the various support methods such as our BLT Legacy Giving Program, regular monthly donations, filling the Purple Pig with the "A Coin A Day so they can Walk, Talk, See and Play", or simply using the ***GoodSearch*** Search Engine–there are many ways to support the children and their families who may have had little hope without the CHEA intervention.

Minors in Need

Happy New Year!

Hopefully, we will soon be able to meet again. We will be taking a break from meetings in January and meet again in February to plan our fundraisers. As the second Sunday is Valentine's Day, we will meet on the third Sunday of February at 11am. Thank you to everyone who has worked hard on our projects and supported them this difficult year. It is amazing that we were able to accomplish as much as we did. The students, teachers and counselors are incredibly grateful.

Fraternally,

Kristi Dupler

Volunteers

A note from our lodge volunteer coordinator, Coco Eells: **Hello new and returning volunteers - we need you, we miss you, we appreciate and thank you!**

Meals in December are scheduled on **Monday, Wednesday**, **Thursday & Sunday**.

Please refer to calendar for menu information. A meal is provided to each kitchen volunteer.
Dinner volunteers are needed from 4pm to 7-ish for dinner and 9am to 1pm-ish for brunch, depending on the position. Dinners are served 5-7pm. In December brunch is served from 9am to Noon, a **change** from November's serving time of 10am-2pm.

Sunday's are a most challenging day to find brunch volunteers, even just 2 or 3 hours of your time would make a huge help in serving our fellow Elks. If you've been wanting to flex your pancake making skills, Elks Lodge on Sunday is the place for you! Call me and we'll make it happen.

Our Veteran's Day dinner was a hit, thanks to our cook Keith and our fantastic group of volunteers. It was a special time of camaraderie to honor out many veterans, present & past, and active military where a good time and a good hearty meal was had by all!

Cashiers are also **needed** for all dinners and a greeter is needed for all meal services. Without greeters we wouldn't be able to have meals at the lodge as this is a California State Health Department mandate during the Covid-19 epidemic and our county restriction tier status, code purple. Please help if you can.

The Lodge provides gloves and face mask, ok to bring your own. Close toed shoes are required to work in the kitchen.

Please let me know if you are available so I can put you on the schedule! If you would like to volunteer but are not yet available just let me know you are interested and I will put you on a list to check back with you at a later date.

The lodge appreciates your time and I look forward to volunteering together.
